POLICE OUT FOR LYNN MURDERER

(Special from United Press.)

Lynn, Mass., July 23.—Wireless alarms to all steamers on the Atlantic which may be reached are out to-day for Kuhn Nalbandian, alias Frank Jones, who is wanted in connection with the murder of Minnie Monahan, whose body was found in a trunk in a lodging house here yesterday. It is believed Nalbandian is making an attempt to leave the country and as he was last seen here on Monday the police believe he may have got to sea from either Boston or New York. No indication as to how Monahan was killed has yet been found. His watch and money were in the pockets of his clothing when the body was found. Nalbandian is described as about five feet five inches tall, of very dark complexion, smooth face, black eyes and hair and when he went away he wore a dark blue suit and Panama hat. The police say they have ascertained he had made preparations for leaving the city and had recently purchased an automatic revolver which he showed to a number of his countrymen saying he intended to have it handy when he should arrive in Turkey.

TELEPHONE CO. ABSORBED

Pittsburg, July 23.—The Central District and Printing Telegraph Company, which operates all the Bell lines in Western Pennsylvania, Eastern Ohio, and a part of West Virginia, has been taken over by the American Telephone and Telegraph Company. The deal involves about \$13,000,000. The stock of the former company gained 61-2 points on the Pittsburgh Stock Exchange, closing at 127 on the news of the deal, which was brought about by the acceptance of the proposal of the American Telephone and Telegraph Company to exchange its stock for the stock of the Central District and Printing Telegraph Company on the basis of one share of the former for one and one-half of the latter.

Much of the stock of the Central District and Printing Telegraph Company has been delivered to the treasurer of the American Telephone and Telegraph Company at 14 Dey street, New York, and all of it will be in his hands by Aug. 31.

If people with symptoms of kidney or bladder trouble could realize their danger they would without loss of time commence taking Foley's Kidney Remedy. This great remedy stops the pain and the irregularities, strengthens and builds up these organs and there is no danger of Bright's disease or other serious disorder. Do not disregard the early symptoms. F. B. Brill, local agent. *135

ERIE RESTORES WAGES

New York, July 23.—The Erie Railroad announced yesterday the restoration of salaries of officers and employees, which were reduced in January, 1908, to the rates previously in force. The increases were made by resolution of the Board of Directors at its meeting yesterday, and in making the announcement it was explained that the condition of the company had improved so satisfactory that the restoration would go into effect as of July 1.

Last year the Erie failed by \$2,199,000 to earn its fixed charges, the net earnings dropping to \$8,918,000, which was a decrease of \$6,829,000 compared with the year before. With the fiscal year just ended the tide turned, and the company's earnings have since been on the increase.
